BG При монтиране, ползване, обслужване и поддръжане на продукта е задължително спазването на изискванията, описани в книгата с инструкциите за монтиране и ползване, и гаранционната карта на продукта.

След изчерпване на работния ресурс на продукта е задължително спазването на изискванията на действащите нормативни документи (наредби и директиви), отнасящи се до правилното му демонтиране, изхвърляне и рециклиране, и опазването на хората, и околната среда.

EN During product installation, use, service, and maintenance it is compulsory to comply strictly with all instructions in the user guide for installation and usage, as well as with product warranty card.

Once the product lifetime is terminated it must be dumped in accordance with the provision of legislation in force (regulations and directives) concerning its correct disassembly, disposal, and recycling, as well protection of mankind and the environment.
